

# 2024 PRODUCT CATALOG

## **OUR COMMITMENT TO INDEPENDENT RETAILERS**

**DEFENDING** brick & mortar retailers from the rapidly increasing threat of Amazon & consumer “show rooming”. **Vital Planet strictly enforces a 0% MAP policy online. Our products are full MSRP!**

**PROTECTING** natural channel retailers from losing customers to food, drug, mass and club retailers. **Vital Planet only sells to the natural channel!**

**COMMITTING** to remain 100% family owned and operated. Our family has complete autonomy to choose the direction of the business. **No profit first decision making or questionable business practices.**

**INVESTING** in the creation of a fully incremental product category for the natural channel. **Animal supplementation is a \$1 Billion category in the US. This is an untapped opportunity for our industry and is perfectly suited for the HFS consumer.**

**MANY TOP PROBIOTIC BRANDS ARE CHOOSING TO IMPLEMENT  
AGGRESSIVE STRATEGIES TO GROW AMAZON, WALMART, CVS, ETC.  
TO THE DETRIMENT OF NATURAL RETAILERS.**

### **PIONEERS IN NATURAL DIGESTIVE CARE**

Vital Planet's sole purpose is to help support the quest for better overall health by focusing on digestive health. Through education and innovative products, our team of natural digestive care experts has helped millions address their occasional gut issues for the last 25 years.\*

### **HEALTHY LIFE. HEALTHY CORE.**

At Vital Planet, we believe that digestive health helps regulate the health of our entire system. To that end, our products are formulated to help maintain the natural balance of our digestive system so people and their pets can enjoy more vibrant health. When you feel good on the inside, it shows on the outside!

### **TRUSTED BRAND**

When we formulate our products, we consider the specific nutritional needs of the digestive and related systems. We ensure each product contains the potency, diversity, and combination of natural ingredients to help support the body with no fillers, binders, or anything artificial.\*

### **INNOVATION**

As a leader in natural digestive care, we are entrenched in the latest science and research related to gut health and the microbiome. Armed with this knowledge and pure quality ingredients, we create novel formulas to support a broad range of occasional digestive issues.\*
